

### Serving Personnel:

With regard to Serving Personnel, the LLP Clinical Referrals Managers (CRMs) liaise directly with Defence Consultant Advisors (DCAs) to obtain occupational health input to assess the impact on long term career interests before undergoing surgery. Speak to your GP for further details.

### Data Protection and Confidentiality:

All staff have a duty to record and share your personal information in accordance with the Data Protection Act 2018 and the Common Law Duty of Confidentiality. Further information about how SSAFA and Guy's and St. Thomas' NHS Trust look after your personal information is available in our Privacy Statements on [www.patient-wise.de/About-us/Publications](http://www.patient-wise.de/About-us/Publications)

Please remember to deregister when you are posted so that your notes can be sent on with the minimum delay to the National Health Service Central Register (NHSCR). The head of household will need to deregister, as well as each family member.

### Complaints and Comments:

The nominated person for dealing with complaints is the Lead Administrator, Lead GP or Group Practice Manager. A complaints leaflet is available from reception. We would also welcome any positive comments you may wish to make.

### European Health Insurance Card (EHIC):

All Service personnel and their dependants are strongly advised to carry their EHIC at all times and especially if crossing any international borders. Though the EHIC will provide you with emergency health care whilst travelling within other EU member countries it does not include the country of residence. The EHIC is **not** an alternative to travel insurance. Visit [www.ehic.org.uk](http://www.ehic.org.uk) for further information.

We value your feedback! Please visit [www.patient-wise.de](http://www.patient-wise.de) and complete our patient survey and/or leave any comments you may have.

be redirected to the Telephone Assessment Service (TAS) to ensure you receive the most appropriate care. Tel: **0521 3053961**

If you feel the problem is urgent and wish to see a practitioner within 24 hours then you will be redirected to the Telephone Assessment Service (TAS) to ensure you receive the most appropriate care.

During working hours you will speak to a call handler, who will take some key information to prioritise and meet your needs.

Out of hours a nurse will assess your symptoms, evaluate your concerns and deliver the most appropriate outcome for you.

**Hospital treatment:**

You may be referred to the local contracted Designated German Provider (DGP); the St Vincenz hospital, Am Busdorf 2-4, 33098 Paderborn.

SSAFA GSTT Care LLP employs bilingual Patient Support Officers (PSOs) formerly known as Hospital Liaison Officers (HLOs) who can support you throughout your hospital outpatient appointments, A&E attendance or admission. Please ask the hospital staff to contact the PSO if you need support or call: **05251 86 1445**

The PSOs work as the interface between patients, hospital, all clinical staff and other healthcare professionals to interpret medical information and provide support. They are available Monday to Friday from 08:00- 16:30.

For out of hours support 24/7 call the Hospital Hotline on **0800 588 99 36**

**Repeat prescriptions:**

Repeat prescriptions must be initiated by a doctor or nurse practitioner usually during a routine appointment. Thereafter, you may order your repeat prescription by contacting the dispensary staff during normal working hours. Please allow 5 working days for your prescription to be processed.

The Pharmacy will be pleased to dispose of any unwanted medicines which you may have in your home or accommodation.

**Prescription Charges:**

If you are not entitled to free prescriptions you will be sent an invoice to make payment for the prescription charges.

**Home Visits:**

It is in the interest of all patients to be seen in the Medical Centre whenever possible so that necessary examinations and investigations can be done and dispensary facilities are available.

Home visits may be offered in exceptional circumstances but this will be assessed on a case by case basis by the Duty GP.

**Visitors:** Relatives or friends visits must be sponsored by your Unit; your Families Office will provide details. This entitles them to emergency GP care only at the medical centre. Medication for existing conditions must be obtained in the UK before coming to Germany.
